*Adara Goldberg
Holocaust Survivors in Canada*

After WWII 35,000 Jewish Holocaust survivors arrived in Canada. The unprecedented scale of the relief effort required for the survivors challenged both the established Jewish community and resettlement agents alike. Survivors in Canada represents the first comprehensive analysis of the resettlement, integration, and acculturation experience of survivors in early postwar Canada.

Adara Goldberg received her PhD from the Strassler Center for Holocaust and Genocide Studies, Clark University. She is currently the Director of the Holocaust Resource Center, Kean University
