## From the Pulpit

Pesach is over. Spring is in the air. The snow has finally melted, and with it my time here at Temple Israel is coming to a close. Spring is a time of new growth, a time to forge new pathways. In a few weeks I will be transitioning to my new role as the rabbi for Temple Anshe Hessed in Erie PA.

Over the past few weeks I have been reflecting on my four years here in Ottawa. My time has been filled with programs, life cycle events, community gatherings, helping temple articulate its core vision, helping the world to heal through acts of Tikkun Olam and wonderful Shabbat and Holiday celebrations. I want to thank our amazing corps of Lay Cantors who lend their talents and spiritually as they lead the music of our services. Having multiple music leaders provides the congregation with the opportunity to hear both different musical styles, and a variety of compositions for the various prayers. If you are interested in training to become one of our Lay Cantors, please contact Sue Potechin, who not only is a regular Lay Cantor herself, but also coordinates the training and scheduling of our Lay Cantors.

I have had the pleasure of working with an incredible staff. Heather Cohen, Sue Potechin, Cathy Loves and Steve Elliot. All are incredibly dedicated to Temple and to making the synagogue a wonderful place for people to come and celebrate their Judaism.

It has been wonderful to share the bima with my friend and colleague Rabbi Steve Garten. Together we have officiated at life cycle events, sharing in both the happiness and joy of our congregation. We have had the pleasure of leading High Holiday services together, an opportunity for temple to hear different rabbinic voices and messages. When I have been away Rabbi Garten has graciously led services and made sure that the congregation has had rabbinic coverage for emergency pastoral needs. I deeply appreciated his sage advice and support over the years.

As I wrap up my time here in Ottawa, I am most appreciative of you, the members of Temple Israel. You have been willing partners in helping to create the wonderful community that is Temple Israel. As with every hello, there must be a goodbye... I am sure that over the years our paths will cross, and we will have the opportunity to share more wonderful moments. For now, I wish you all a wonderful summer, and continued success as Temple Israel welcomes Rabbi Mikelberg. If you are ever travelling to Erie, please stop by and say hello!

Shalom, L'hitraot...

*Rabbi S. Robert Morais*

## President's Message

Spring is finally here, bringing sunny days and welcome warmth, both physical and musical.

Temple Israel wishes to thank Barbara Crook and Dan Greenberg of the Danbe Foundation for their generous contribution to the Cantor in Residence monthly weekends. Their gift has made it possible to bring Daniel Geigerman back to Ottawa in order to lead six weekends of wonderful music from

January through to June. We are also very thankful for those Temple families who are providing home hospitality, including Shabbat dinner, to Daniel. We welcome additional financial and home hospitality congregational support to this worthwhile project.

On a less sunny note, we had a basement flood in April. We are working with our insurance company and restoration contractors to get our basement back for normal everyday use. This takes time and your patience and understanding are appreciated. Updates will be provided as milestones are reached. This flood had an immediate and drastic impact on our school. Through the hard work and perseverance of Principal Sue Potechin, Miriam Burke and the School Committee, and school staff, along with the assistance of Rabbi Morais, school was re-established at Kehillat Beth Israel (KBI). We are very grateful and appreciative of the rapid response by the President, Executive Director and the Rabbis at KBI to our situation. Thank you to Steve Elliot and Sue Potechin for their quick action in attacking the water. Thank you to Cathy Loves and Heather Cohen for interacting with and coordinating with our insurer and the restoration company.

Thanks to the great generosity of a Temple family who wish to remain anonymous, we are in the process of arranging for the purchase of new prayer books. The Mishkan T'filah will be used on an alternating basis with our current Siddur. The Mishkan HaNefesh will replace the Gates of Repentance for High Holidays.

As we prepare for Rabbi Mikelberg joining our Temple family this August, we look forward to many opportunities to get to know him and his family and warmly welcome them to Temple Israel. The Transition Task Force, co-chaired by Tamara Taub and Deidre Butler, will be coordinating events and programs over the next year to support building a sacred partnership between the rabbi and congregation. We welcome your suggestions and input! Please contact [deidre.butler@gmail.com](mailto:deidre.butler@gmail.com) or [tamara.taub@gmail.com](mailto:tamara.taub@gmail.com) to get involved.

Please join Rabbi Mikelberg for a friendly evening "fire-side chat" on Monday May 13 at 7 PM at Temple to welcome him and get to know him and his hopes for Temple Israel. Do you have a great question to ask the Rabbi? We are gathering questions in advance and would love to hear from you. Light refreshments will be served. To help us estimate numbers, please confirm your attendance and submit your questions to Cathy Loves ([reception@templeisraelottawa.com](mailto:reception@templeisraelottawa.com)).

### TIRS ON THE GO

What a year. We've had tornados, ice and snow storms, and now a flood. But that hasn't stopped us. We have relocated, for the time being, to Kehilat Beth Israel and we are very grateful that they are hosting our school while restorations continue at Temple Israel. They have welcomed us warmly and with compassion and have reinforced the concept of community that

we teach to our students.

While this year has thrown some challenges our way, staff, students and parents have adapted to the fast changing circumstances with grace and ease. We thank everyone for pushing through the hard times and always seeing the silver lining ahead.

With the school year coming to an end, we are filling our school days with exciting programs and creative adaptation to our new school setting. As we are still putting away our Passover dishes we are preparing for the month of "YOMS." Our Yom HaShoah and Yom Hazikaron programming will give way to a day of joy as we celebrate Yom Ha'atzmaut - Israel at 71. We will be celebrating at TIRS with special activities, delicious food and lots of ruach (spirit)!

Please join us on Friday, May 10th at 6:15 pm in support of our grades 3 and 4 students who will lead Kabbalat Shabbat services with a BYOD to follow services. This will also give families the opportunity to welcome Morah Sigal back to TIRS after a hiatus. Our final class-led service this year will be on Friday, June 7th when we will celebrate the Confirmation of our Grade 10 students.

This year has seen a tremendous growth in programming and new families joining TIRS and our Temple Israel family. As we wrap up this school year, we are jumping into the creation of summer programs for families with young children and exciting new developments for our school.

This June, we will be bidding farewell to Rabbi Morais, we are so grateful for his time, vision and leadership. We wish him all the best in Erie, PA, and look forward to seeing him at NFTY-NEL regional events and at Camp George. Please join us for our "End of Year Pot Luck Picnic and Farewell to Rabbi Morais" on Sunday morning, June 16th.

As I look around during our school days, I think to myself, "Today is a new day. What can we do with it?" Inspiration and discovery are found in every corner of our school no matter where we are located. While our building is part of our sacred Temple family, this year has proven that we take our sacred family with us on our journey, and even when we are not within the familiar comfort of our own building, our community follows us where ever we go.

## President’s Message Continued from page 3

Our Membership Committee, under co-chairs Sharon Behrendt and Sharon Evans, are working to reach out to new members and build an ongoing relationship with them. Some planned activities include the New Member Shabbat in November, home dinners hosted by Board members, Temple lunch with the rabbi, as well as surveying new members on event satisfaction and getting ideas for new activities. Please contact Sharon Behrendt ([behrendt1305@gmail.com](mailto:behrendt1305@gmail.com)) or Sharon Evans ([sharon.rauch@gmail.com](mailto:sharon.rauch@gmail.com)) to add your helpful hands to this important work as well as adding some demographic diversity to this committee to mirror that of our new members.

June 15th will be Rabbi Morais’ last Shabbat with us. Please join with Rabbi Morais on that day for a special Oneg. In closing, on behalf of the congregation, staff, and the Board of Directors, we thank Rabbi Morais for the years he has shared with us and wish him all the best in his new pulpit. May he enjoy much success and happiness. Mazel Tov to Rabbi Morais and his family.

## New Beginnings Await

As I prepare these words, I can safely say that winter has passed. In both of our fine cities of Ottawa and Toronto, it will be invigorating to move on from the snow and cold. Soon the blossoms and tulips will emerge, and spring will begin in earnest. We have many new beginnings to look forward to in this glorious new Canadian season. My husband Zach and I and our youngster Jacob are eager to set down roots alongside the Temple Israel family. Thank you for all your kind welcoming words that we have already received.

I have received many enquiries as to who I am and what my rabbinic vision represents. I believe we will find that we share much in common. We have plenty of time ahead to get to know one another as my family settles in Ottawa in August. However, I thought it would be helpful to share some initial thoughts about myself and my priorities.

I am a product of the Canadian Reform movement, growing up at Temple Sholom in Vancouver, BC. I had the fortuitous opportunity to return to my home congregation as an Assistant Rabbi. Since then, for the past 8 years I have been a Senior Associate Rabbi at Temple Sinai in Toronto. I share a deep-rooted investment in inclusivity of all kinds. We are at our best when we celebrate our precious light that we carry within and we explore the means to collaborate as one. It is extraordinary to note that there is no “normal” in our Temple Israel family. We have interfaith families, interracial families, LGBTQ2 families, single members, Jews by Choice, and members with various special needs. This is wonderful! Together we can explore the best pathway to affirm each and every voice. As a young dad myself, I am eager to create new programming for young families – I am bringing along a wealth of experience in this area.

As Jews and world citizens, we share a responsibility to tikkun olam. As we gather to learn, to pray and to act, we lend ourselves to lifting up the other. Three areas that I have dedicated energies to in recent years include alleviating poverty, building connections with our Indigenous neighbours and assisting with the plight of Syrian refugees. The work of tikkun olam demands recognizing the pressing needs of the day and being prepared to act with a hands-on approach. I look forward to planning and mobilizing with you and to taking on this holy work in the nation’s capital!

As a committed Reform Jew, I cherish our means to blend tradition and innovation. I take pride in our place in the Union for Reform Judaism while I also recognize that our Canadian voice is unique. I am well versed as a crazy Canuck, proud of our multicultural fabric, our commitment to community, and of course hockey.

I cannot wait to share this vision with you and partner as new friends with a united mission. As the summer arrives, we have lots to look forward to!

*Rabbi Daniel Mikelberg*

## 'Building' Enthusiasm

While there is nothing to see yet in brick and stone, progress **IS** being made on plans for Temple Israel renovation. We are working actively with a team from Hobin Architects who are very familiar with the structures needed for a synagogue, both from the Jewish practice aspect, and for more access, safety, and beautiful multi-use spaces. We hope to have first concepts ready before the summer, and want to consult with those in our community who have special needs, to make every effort to meet those needs. In view of the recent flood in the basement, we have to plan for repairs that won't cost the earth or have to be completely redone a year from now.

Our renovation team is meeting regularly and we will keep you informed as work develops.

*Patsy Royer, for the Building Renovation Team.*

## Refugee Committee

Temple Israel's refugee family has great news - their P.R. (Permanent Residency) cards have arrived. Sarah is very happy. We have met with the Family Welcome Centre; Kong is registered for JK come September; we met with the principal and she is looking forward to having him join the school community.

Everything is moving along smoothly. The better weather has everyone in a better mood, and Sarah is happier to go out. She has begun to use the OTranspo system independently. She does her shopping, she visits her friends, she attends church. She knows how to find the routes, and is proud of herself. I am proud of her as well.

Kong has been attending TIRS on Sunday mornings; he enjoys being with the other children. He plays well at the daycare when Sarah is at her English class. He is calm and speaks well. He knows colours in English, he can count, and he tells me when he is tired, or not, or hungry or not! One morning when they were on an outing with me, he was full of smiles, saying "I am happy!" It was delightful!

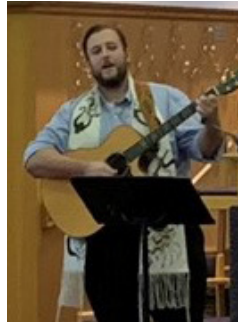

We have applied for a rental subsidy for which we are hopeful. This will help immensely with budgeting. Sarah has to work hard to get to level 4 in her English, which is when she can start classes at the adult high school. A few congregants have visited with Sarah to help improve reading and writing. She has attended counselling sessions at JFS. They have both met with a medical doctor for check-ups and vaccinations.

If anyone reading this is interested in spending some time with Sarah and her son, or helping Sarah with her English work, or taking them on an outing, please be in touch with Merle at [savtamerle@gmail.com](mailto:savtamerle@gmail.com)

They would love to go to a museum, or to the market, or any other sites. They are pleasant to be with, and very eager to learn.

## Ritual Committee High Holy Day Nus

### Daniel Geigerman Returning for 2019

We are thrilled to announce that Daniel Geigerman, who led the music during last year's High Holy Day services, will be returning to Temple Israel in 2019 for Rosh Hashanah and Yom Kippur. Daniel will be entering his final year of cantorial studies at the URJ's Debbie Friedman School of Sacred Music in New York in the fall.

Since January, Daniel has joined us monthly to lead the music for Shabbat and spend time workshoping liturgical music with the choir and lay cantors. Temple Israel wishes to thank Barbara Crook and Dan Greenberg of the Danbe Foundation for their generous contribution to these Cantor in Residence monthly weekends. Their gift has made it possible to bring Daniel to Ottawa in order to lead six weekends of wonderful music, and to work with the choir and lay cantors. Please join us for his next Shabbat visits on May 31/June 1 and June 21/22.

### Prayer Book Gift

A very generous donation from a Temple family, who wish to remain anonymous, has made possible the purchase of Mishkan HaNefesh, the new Reform High Holy Day prayer books, for use at the 2019 Rosh Hashanah and Yom Kippur services. We received very positive feedback from the pilot using excerpts at last year's services. Mishkan HaNefesh includes a modern layout, full gender-neutral language, complete transliteration, traditional and new English translations, alternative liturgy and complementary readings. The donation also enables Temple to acquire copies of Mishkan Tefilah for Shabbat and Festivals. Mishkan Tefilah will become an additional siddur (prayer book) that can be used on any given Shabbat as an alternative to our current Temple Israel siddur. It will expand our ability to offer more varied styles of services and utilize different prayer book contents.

Put your business card size ad in the Temple Israel Bulletin, only \$180 for six issues. Please contact the office at 613-224-1802 for information.

**The Weight of Ink** by Rachel Kadish will be reviewed by **Rabbi Steven Garten**. Rabbi Garten is Rabbi Emeritus of Temple Israel and is a well known educator in the community.

Set in London of the 1660s and of the early twenty-first century, *The Weight of Ink* is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is permitted to scribe for a blind rabbi, just before the plague hits the city; and Helen Watt, an ailing historian with a love of Jewish history.

## Building Understanding Program Wampum Belt Chronicles with Darren Bonaparte Monday May 6 at 7 p.m.

Wampum is how the Haudenosaunee documented their history and culture. It was the interface between native and colonist. In his presentation on January 20th, Darren will provide a historical narrative through the significance of wampum belts which were a symbol of the most solemn of commitments. He will explain the workings of a typical treaty council and the oral traditions behind each wampum.

Darren Bonaparte is a Mohawk story teller, writer and artist from Akwesasne. He has written two books *Creation and Confederation: The Living History of the Iroquois*; and *A Lily Among Thorns: The Mohawk Repatriation of Kateri Tekahkwi:tha* as well as numerous historical articles and papers. He recently wrote the libretto for *Saia'tato kenhiti: Honoring Saint Kateri*, a multimedia musical theater work with music by Odawa composer Barbara Croal.

This on-going work of relationship building, learning and reflection with Ottawa-area Indigenous communities will initially consist of a series of events launched in December and continuing on May 6.

To RSVP for May 6, please email Lynne at [tehwenner@rogers.com](mailto:tehwenner@rogers.com).

## Shabbat Oneg

Temple Shabbat Oneg is a wonderful time to catch up with friends and maybe meet some new ones.

Did you know that you can help sponsor an Oneg? Some good reasons to sponsor a kiddush lunch or oneg Shabbat:

- It's your birthday, or your friend's or your pet's etc.
- It's an anniversary of a special event
- In memory of a loved one
- To celebrate a special event
- Because you are a swell person who likes to support your favourite synagogue

Your sponsorship helps to offset the cost of providing the weekly basics and more.

Kiddush sponsors are thanked in our newsletter unless you choose to remain anonymous.

## FR STY

FEDERATION OF REFORM OTTAWA SENIOR TEMPLE YOUTH

Hi everyone! I'm Sarah, the Communications VP (CVP) of FROSTY and I wanted to give you all an update on what FROSTY has been up to lately! On Monday, April 15th we hosted our annual Chocolate Seder at TIRS!! It was filled with loads of chocolate and boy, was it a blast! We had 30 kids from grades 6 to 12 including a few adults. It was so nice to see so many new faces! FROSTY president, Anne Khazzam, and our Religious & Cultural VP (RCVP), Alexa Leitman, led this chocolaty event. There was so much chocolate that it was almost like a chocolate factory.

Our seder included six chocolate symbols that captured the story of Passover in a play with your food, melt in your mouth sort of way. We used ice cream bars (Shankbone), chocolate pudding and M&M's (Charoset), strawberries and chocolate sauce (Karpas dipped in salt water), dark bitter chocolate (Maror), chocolate milk (Wine) and of course Kinder Surprise chocolate eggs (Beytzah). Personally, my favourite part was when we made the Hillel sandwich, I mean, who doesn't like chocolate pudding and matzah together! This year was so much fun and I can't wait for next year!

### TEMPLE VISION STATEMENT

Temple Israel is Ottawa's Reform congregation where Jewish Life Happens --committing ourselves to Kehilah K'lal Yisrael, and Tikun Olam.

We are a dynamic and welcoming congregation (Kehilah) where varied Jewish experiences offer pathways to learn and to experience God for all, respecting tradition and creating new celebrations.

We are an active liberal presence in the larger Jewish community (K'lal Yisrael). We strive through social action to fulfill the Mitzvot of caring for others (Gimilut Chasadim) and repairing the world (Tikun Olam).
