From the Pulpit

On Saturday Oct 27th temple was filled with people celebrating Shabbat. A time to let the cares of the world recede and embrace the promise and beauty of God's creation. On this particular Shabbat, the beauty and calm was shattered as we heard the news of the shooting and tragic deaths at the Tree of Life Synagogue in Pittsburgh. Words cannot express the depth of our sorrow and our hearts are with the Pittsburgh Jewish community and especially the members of the Tree of Life Synagogue.

We Jews are no strangers to violence. We have survived countless attacks and attempts at genocide. Yet we continue to prevail. The inherited wisdom of our tradition has taught us to be resilient.

Jewish communities around the world have come together in solidarity with families of those who were killed in Pittsburgh. Our response is not to seek revenge on the perpetrator. Our revenge is far sweeter, far more meaningful. Our revenge is to show those who would hate us that we are strong. That we will not be deterred from living Jewish lives. Our response is to call for a Shabbat of Unity! To encourage everyone, we know, Jew and non-Jew alike, to attend our services.

Ron Wolfson who wrote Relational Judaism says: "People will come to synagogues, Jewish community centers, federations, and other organizations for programs, but they will stay for relationships."

It is though the power of our relationships that we will draw strength from one another and continue to build Jewish life here in Ottawa and around the world. We can defeat hate by showing those who hate us how incredibly precious Jewish wisdom is. How it can lead us to live lives of meaning and purpose! Lives dedicated to pursuit of what is right and good in the world.

With hopes and prayers for peace and healing for everyone.

Shalom,

Rabbi S. Robert Morais

Special Chanukah Bring Your Own Dinner Friday December 7

Please note we have changed the week of our monthly Friday night dinner so we can celebrate it during Chanukah. We hope you will join us, we will provide the latkes!

President's Message

November already? Almost a year ago, I became Temple's President. The time has flown by, filled with many activities and some challenges. With the involvement of our Temple staff, volunteers, and fellow Board members, we have moved Temple forward and will continue to do so. I am proud to be a member of the Temple Israel team.

We are working hard to continue to get feedback from you, the congregation, through surveys and other means regarding High Holy Days, Renovation Vision, and Rabbinic transition, as well as other activities to come. We want the lines of communication to be open. Thank you for your input.

As you are aware from a recent notice, there are four Visioning sessions in the month of November. These sessions, animated by Patsy Royer and Rabbi Morais, will help provide input for our Vision for the future for Temple. This relates to our members' needs, how we want to be measured against known Jewish values, and also to ways of improving our building so that it will be the best possible facility for all of our activities, our events, and our outreach. Have your say. Be there!!

Our Rabbinic Search Committee (RSC), under co-chairs Tamara Taub and Lorne Rachlis, is a great team and is dealing diligently with the many aspects of this vital activity. Your input to the recent survey has provided key information that greatly assisted in the application process. Timely RSC updates will be provided. Stay tuned.

November will continue to be an important month. A new Board will be installed at our November 19th AGM. There are some proposed constitutional amendments and other important changes to be dealt with. Updates on key activities will be provided. I urge you to be at the AGM: it is important.

On completion of her two year term, I say thank you to Board member Pam Cogan for her contributions to Temple as Social Action chair and for MAID and palliative care activities. I would also like to thank Board and Executive member David Cotsman for his four years as Board Secretary and other duties. A very special thank you and acknowledgement to Steve Mendelsohn for his decades of service to Temple as Board and Executive member including as President and Treasurer. Thank you all for being part of the Temple Israel team.

Enjoy the joys of Hanukkah. Hanukkah Sameach.

Stephen Asherman, President

School News

Officially, we have 95 students enrolled in TIRS including children from 7 new families. As in other years, I expect a few more to register throughout the school year.

With all of the Tishrei holidays in September, it made for a rocky start for our students, especially the new ones. Other students who thrive on routine were affected by the "choppiness" of the schedule including a Sunday off due to the tornado. The good news is that we can now coast through all the way to the Winter Break.

Our Grade 6 class led a beautiful service on October 12th. What a great way to start off the year! Grade 7 will be leading our Kabbalat Shabbat service on November 9th and our Gan Yeladim (Kindergarten) will be leading our Chanukah celebration service on December 7th. All of our class-led services on Friday nights are followed by a "Bring Your Own Dinner" where families are able to get to know other families over a meal and share in community. It is a great way for new families to meet and for the children to be together outside of school. Please check our calendar on the Temple Israel website for information on upcoming class-led services.

By now, some of you have met Liam, our new ShinShin who is here from Israel for the year between high school and the Israeli army. Liam will be doing activities with our students on Sundays and Mondays and some Wednesdays for this school year as TIRS is his base school. Likewise, Temple Israel is his base synagogue and we welcome his Divrei Yisrael, his insight into Israeli events, holidays and notable Israeli figures. Liam is a very outgoing and warm addition to our school and shul. Introduce yourself to him --- if he doesn't introduce himself first!

November is Holocaust Education Month. TIRS and Temple Israel have been entrusted with artifacts by members of the Ottawa Jewish community to create a Pop-Up Museum at Temple Israel. The Pop-Up Museum is open to the community on Sunday, Nov. 4th from 12:30 – 4:00 pm and Monday, Nov. 5th from 6:30 – 7:15 pm. At 7:30 pm on Nov. 5th, Dr. Robert Ehrenreich from the United States Holocaust Memorial Museum (USHMM) will present, "Let the Artifacts Speak: Returning Humanity to Holocaust Victims." We are proud to bring this to you in collaboration with Carleton University's Zelikovitz Centre for Jewish Studies and Centre for Holocaust Education and Scholarship (CHES), as well as Jewish Federation of Ottawa, and USHMM. Everyone is welcome.

There are many events scheduled for families with young children, tweens and teens including TOTally Shabbat, JBaby Shabbat Play Group, Jr. Youth Group (JYG) and FROSTY. In addition, we have added new programs such as JBaby Oneg Shabbat at Hillel Lodge with children under the age of 4, Jr. Congregation for children ages 5-10, and Jr. Choir for children of all ages. Information on these

programs can be found in this bulletin, on the Temple Israel website, and on the TIRS Facebook page.

Enjoy the rest of 2018!

Building Understanding: Sky Woman and Chanukah

**Tuesday December 4, 2018
7-9 pm**

**Watch the weekly e-bulletin
for further details.**

Inspired by the recommendations of the Truth and Reconciliation Commission, this Chanukah, Temple Israel will launch a series of programs of relationship building and mutual learning together with Ottawa-area indigenous peoples.

As Rabbi Morais highlighted in his Yom Kippur sermon, this is a perfect time for our congregation to embrace the Commission's messages, in particular Recommendation #49 which calls upon "all religious denominations and faith groups who have not already done so to repudiate concepts used to justify European sovereignty over Indigenous lands and peoples, such as the Doctrine of Discovery and terra nullius"

We are honoured to be working with Dr. Kahente Horn-Miller, Assistant Professor in the School of Indigenous and Canadian Studies and Co-Director of the Centre for Indigenous. Research, Language and Education at Carleton University. She has been providing excellent advice and input to a Task Force established by Temple Israel to reflect upon and respond to the Truth and Reconciliation Commission recommendations.

The Task Force has agreed that in addition to learning more about First Nations histories and cultures, there is a need to build, in an ongoing and open ended manner, sacred community with Ottawa-area indigenous peoples. To this end, the Task Force will lead the planning and implementation of an on-going series of programs and encounters. We begin with Dr. Horn-Miller's performance of Sky Woman on December 4th, as well as reflections from Rabbi Morais about the ways in which Chanukah is an appropriate opportunity for the launching of this initiative. The drawing of connections with Jewish life will be an important component of each such event and it is also hoped that the Temple Israel Religious School will become involved in appropriate activities.

If you are interested in participating in the work of the Task Force please contact Anne Alper alpera@rogers.com or Fran Klodawsky franklodawsky@Cunet.Carleton.ca. We look forward to seeing you on December 4.

Put your business card size ad in the Temple Israel Bulletin, only \$180 for six issues. Please contact the office at 613-224-1802 for information.

DOUBLE COMPARATIVE REVIEW!

Bellevue Square by Michael Redhill and **Dinner at the Center of the Earth-A Novel** by Nathan Englander will be reviewed by **Rubin Friedman** who has written many humour columns and book reviews for the Ottawa Jewish Bulletin. With degrees in French and Russian languages and literatures and Linguistics and Diplomas in Translation/Interpretation and Speech Pathology, he has had a varied career both inside the government and in Jewish and non-Jewish NGOs.

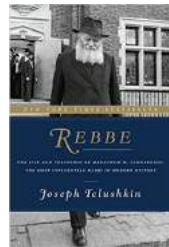

Bellevue Square: a darkly comic literary thriller about a woman who fears for her sanity—and then her life—when she learns that her doppelganger has appeared in a local park. (Amazon.com) Winner of the 2017 Giller Prize.

Dinner at the Center of the Earth - A Novel: a political thriller that unfolds in the highly charged territory of the Israeli-Palestinian conflict and pivots on the complex relationship between a secret prisoner and his guard. (Chapters.Indigo.ca)

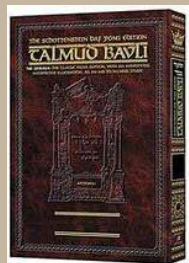

Sunday, December 9, 2018

Rebbe: The Life and Teachings of Menachem M. Schneerson, the Most Influential Rabbi in Modern History by Joseph Telushkin will be reviewed by **Rabbi Idan Scher**. Rabbi Scher was born and raised in Chicago, Illinois, but frequent trips to Ottawa to visit his large extended family always made the Nation's Capital feel like his second home. He earned an undergraduate degree from Yeshiva Shaar HaTorah in New York, a Masters degree in Talmudic Law from the Ner Israel Rabbinical College in Baltimore, and an M.A. in Public Policy and Management from John's Hopkins University.

Rebbe: The Life and Teachings of Menachem M. Schneerson: In this enlightening biography, Joseph Telushkin offers a captivating portrait of the late Rabbi Menachem Mendel Schneerson, a towering figure who saw beyond conventional boundaries to turn his movement, Chabad-Lubavitch, into one of the most dynamic and widespread organizations ever seen in the Jewish world. At once an incisive work of history and a compendium of Rabbi Schneerson's teachings, *Rebbe* is the definitive guide to understanding one of the most vital, intriguing figures of the last centuries. Refugee Placement Committee

The newly formed Refugee Placement committee has been meeting in person and via email. Temple Israel has been granted a family of two - a young mother and her child from South Sudan. We need to find housing for them, furnishings, English training, medical care and other supports.

We are working closely and as necessary with JFS (Jewish Family Services) and other refugee services in the city, including Refugee613.

When will our little family arrive? Approximately mid December. If congregation members are interested in helping out, please contact Merle Haltrecht-Matte at savtamerle@gmail.com or be in touch with the Temple office.

Watch for updates in the weekly Temple email.

Shabbat Oneg

Temple Shabbat Oneg is a wonderful time to catch up with friends and maybe meet some new ones.

Did you know that you can help sponsor an Oneg? Some good reasons to sponsor a kiddush lunch or oneg Shabbat:

- To celebrate special event
- Because you are a swell person who likes to support your favorite synagogue

Let the Artifacts Speak: Returning Humanity to Holocaust Victims

Nov 5 at 7:30 pm at Temple

Six million Jews were murdered during the Holocaust. The number is staggering. How do we convey that these were real people with real lives and families? Mr. Ehrenreich will discuss how personal items can turn the huge numbers of victims back into individuals and return their humanity, based on three case studies:

personal items discovered near shooting pits in Ukraine; damaged photographs from Poland; and a piece of mica from the Theresienstadt Glimmerwerke (mica works).

Robert M. Ehrenreich is the Director of National Academic Programs at the United States Holocaust Memorial Museum.

We are studying ways to improve our physical building so that it will be the best possible facility for all of our activities, our events, and our outreach. To this end, we are inviting Temple members to any of FOUR gatherings to discuss our VISION FOR THE FUTURE. These will be open and friendly discussions with Rabbi Morais and Patsy Royer animating, and YOUR VIEWS ARE IMPORTANT. Please arrange to attend one of these meetings so that we can have a Vision Statement ready for the approval of the whole congregation in early December.

Remembering on the Anniversary of a Death

Lighting candles and saying Kaddish each year in memory of a loved one.

Yahrzeit is a Yiddish word meaning anniversary of a death. It is the yearly anniversary of a loved one's death. Jews observe yahrzeit at home by lighting a special long-burning candle in memory of the deceased and at Temple **yahrzeit** is observed by reciting the Mourner's Kaddish at services. The names of deceased with yahrzeit during the preceeding week are read at our services on Friday nights and Saturdays.

In addition to lighting **yahrzeit** candle many individuals choose to make a donation to mark the observance of a **yahrzeit**. If you would like to make a donation to Temple or sponsor a Kiddush in observance of a loved one, please contact the office.
