From the Pulpit

Goodbye 5781, Hello 5782!

What's that? Yes, there is hope in the air. The last 18 months have been difficult, we have experienced hardship unlike we can remember in our lifetimes. I pray that the worst has now passed and that we can begin to rebuild. We know better than ever that we are committed as one, each strong and resilient,

bursting with love and compassion.

On a personal note, many have commented to me that this is probably not how I expected my first 2 years in Ottawa. True, but I have valued the memories that we have shared, the support that we have offered one another, and the strategizing for the future. We've gotten to know one another well in pandemic times and I am delighted to now call Ottawa home. I am humbled by the welcome that I have received and the trust that you have bestowed upon me. I'm honoured to receive a new 5 year contract as Rabbi of Temple Israel. We have much to look forward to. On behalf of myself, Zach and Jacob, thank you.

Summer is front and centre in our minds, but that means the holidays are on the way. I wish that we could already map out the details of what Rosh Hashana and Yom Kippur will look like, but it will take us a few more weeks to better understand our circumstances. I know that we crave to put away the screens but once again we will be primarily virtual. Additionally, there will be a host of in-person opportunities, we're even putting up a tent in the parking lot. We aim to have something for everyone, 2 year olds to the young at heart, the homebound and the folks looking to gather, tradition alongside creativity. I'm grateful to be joined on the bima by Rabbi Steven Garten, Cantorial Student Daniel Geigerman and Rabbi Dara Lithwick. Thank you for your patience as we figure out the details to serve you best.

We typically cast-off breadcrumbs into the water for Tashlich, pointing to the yearning to leave behind that which holds us down. I'm not sure at the present that our pockets are big enough to hold these crumbs, but let's do the best that we can to send off the frustrations of this year past. In coming weeks, we can immerse in nature, I hope you'll join me for an outdoor Shabbat. Let's get excited for that which is new. May these summer days and the months that follow be filled with good time and reconnecting on every level.

Rabbi Daniel Mikelberg

TIRS update

Watch out for an TIRS update in August when we will welcome our new principal and clarify our programming for the start of school.

President's Message

On a sunny May morning the chairs of Temple committees, task forces and teams met virtually with board members for 2 hours to share updates and issues about Temple initiatives. We actively sought cross-overs to coordinate and to build up our Temple Israel community. Thank you to the 29 dedicated Temple volunteers who participated. This was our second leaders meeting since

March 2020, full credit to Miriam Burke for starting and sticking with this new tradition. The next session is planned for early 2022.

David Cotsman is the chair of the Nominating Committee this year, and Tamara Taub represents the Board. Please be in touch to nominate future leaders for board positions beginning in November. The Board recently approved a Volunteer Awards policy and the call for nominees will go out in September for awards to be presented at the November Annual Meeting. It is not too early to share suggestions, please be in touch with me if you have nominee ideas or would like to serve on the committee.

As we gradually return to in-person services, initially outdoors in the Bayit backyard and then indoors as soon as we've taken extra precautionary steps, our thoughts return to the urgent need to renovate and improve our 46-year-old building. The Building Renovation Action Committee (BRAC) continues its work on refining the concept design with Figurr Architects, seeking cost clarity for the future construction climate and selecting a project manager to bring building expertise to our team. We are fortunate to have Mark Palmer as a new BRAC member, bringing experience with capital projects and wise counsel.

I am pleased to share that the Board has approved a 5-year contract with Rabbi Mikelberg to begin in July 2022, following his current 3-year contract.

Yasher koach - may you continue to lead with strength, Rabbi!

ANTI-RACISM COMMITTEE *presents* **A Virtual tour of Uncle Tom's Cabin**

Wednesday July 21, 2021 - 10 am

Come one and all, Children and adults alike.

The anti racism committee of Temple Israel has booked a virtual tour of the historical site where Josiah Henson eventually established his home and built a self-sufficient community for fugitives from slavery. The site, situated on the grounds of the former Dawn settlement, is located near Dresden, Ontario. You will see original and restored buildings, including a homestead, church, barn and graveyard.

Henson himself was a former slave, an abolitionist, and a minister.

Harriet Beecher Stowe's 1852 anti-slavery novel 'Uncle Tom's Cabin', featuring a character named Tom, is loosely based on Josiah Henson.

JNF Ottawa/Temple Israel Program

Wednesday, July 28, 2021 - 7:30pm - Virtual event on Zoom

Our Jewish Roads: Two Brothers, Two Paths.

How brothers – one white, one black – raised in the same home lived two different Jewish experiences.

With both Jewish and Caribbean heritage, David and Daniel Greaves found their own personal ways to connect to their Judaism.

David Greaves, currently the Executive Director of JNF Winnipeg, is also one of the founding members of the Israeli Bobsled Team, and a frequent contributor to the Times of Israel.

Daniel Greaves is the founder and lead singer of the well-known Canadian band The Watchmen.

Following the provincial guidelines, we are now moving to some outside services. Our first step is Kabbalat at outside when we will be lead in spiritual worship surrounded by nature. The plan is to have these outdoor services every other week starting at 6:15 pm (weather permitting).

We'll gather for these short services behind the bayit (the house next door to the Temple).

Advance registration to attend is required. Register through the office or online.

Make sure to bring a mask and a chair or mat to sit on. As there is limited space, all participants must register

Not to worry if you can't make it - these services will be broadcast on Facebook live to the best of our abilities.

See the Temple calendar for the next OUTDOOR dates!

RASH HASHANA YAM KIPPUR

High Holidays 2021: Get ready for a dynamic and inspiring holiday journey!

Paraphrasing the song "Comedy Tonight," there'll be:

**Something familiar, Something inventive
Something for everyone. A high holidays delight!**

We are no Zero Mostel, but there'll be lots of events happening at Temple Israel on the road to 5782.

Many of our offerings will continue to be virtual, but we aim to supplement our online services with a host of in-person gatherings this year, which will include a "big top" in our parking lot!

Virtual offerings will be available by Zoom, with links provided to registrants closer to the date. We encourage you to create community by viewing these on a TV or large screen with your family or social bubble. New to Temple? Please give us a call so that we can welcome you to our community.

In-person offerings will be primarily outside in a special grand tent in our parking lot. Capacity is limited and participants must RSVP to the office 72 hours in advance. Social distance protocols will be observed and masks required. These services will be dependent on any health and safety advice we receive in September.

You will be able to mix and match live and virtual programming - choosing the best service options for you and your family.

Let's put this year behind us and start fresh.

**Shana Tovah and
hooray for 5782!**

INSIGHT into JUDAISM

The course will run on Monday evenings from
7:00pm until 9:00pm. The first class will meet
on August 30, 2021.

Come and join Rabbi Mikelberg this fall at Temple Israel as we
delve into Jewish faith, Jewish culture and Jewish life. This year
long journey will be embarked on as individuals and in
community. Torah will be our guide.

We will explore tradition and texts, history of the Jewish People,
Jewish holy days, ritual and life-cycle events. No previous
experience necessary.

Insight Into Judaism includes a weekly Hebrew language
component which will have all participants comfortable with
essential Hebrew prayers and blessings.

Insight Into Judaism is ideal for anyone, Jewish or non-Jewish,
who is interested in learning more about Jewish life and Jewish
heritage. It is also for those seeking conversion under Reform
auspices. Students are asked to commit to attend weekly classes
from end of August 2021 through May 2022.

The course is \$720 for non members and \$360 for Temple
members. Materials included.

If you are interested in enrolling in the course or for any other
inquiries, please contact the Temple office at 613-224-1802 or
reception@templeisraelottawa.com

Closer to the start date of this course we will determine whether the course can be
held in person.

Task Force on Truth & Reconciliation Update

On June 7th, 2021 we were very pleased to host a unique opportunity for Temple Israel and Or Hanashamah members to learn more about Indigenous issues in the form of a Virtual Kairos Blanket Exercise. This 3.5 hour activity included 15 Temple congregants, Rabbis Mikelberg and Lithwick, and 9 members of Or Hanashamah. The feedback received indicates that it was a very insightful and enriching experience for those who participated.

The KAIROS Blanket Exercise program is a unique, participatory history lesson - developed in collaboration with Indigenous Elders, knowledge keepers and educators - that fosters truth, understanding, respect and reconciliation among Indigenous and non-Indigenous peoples.

For more information, go to:

<https://www.kairoscanada.org/what-we-do/indigenous-rights-2/blanket-exercise>

A debriefing session for Temple participants as a follow-up to the event was an equally enriching opportunity for reflection and exploration of 'next steps'. The meeting generated exciting program ideas explicitly about Jewish- Indigenous relations that will be at the centre of Task Force programming for the foreseeable future (watch for updates in the weekly e-bulletin).

In addition to this initiative, we are pleased to report that a new Prayer for Canada that includes Land Acknowledgement is quickly becoming an organic part of our Shabbat Ritual (minhag). Its third paragraph states that: "We acknowledge that the land on which Temple Israel gathers is situated on the unceded, unsundered Territory of the Anishinabe Algonquin Nation whose presence here reaches back to time immemorial. We are grateful to have the opportunity to freely worship on this territory, and we ask your blessings upon it, and upon us - and let us say: Amen."

If you are interested in becoming involved and/or would like more information on the work of the Task Force please contact Anne Alper alpera@rogers.com or Fran Klodawsky fran_klodawsky@carleton.ca

Yahrzeit: Remembering on the Anniversary of a Death

Yahrzeit is a Yiddish word meaning anniversary of a death. It is the yearly anniversary of a loved one's death. Jews observe yahrzeit at home by lighting a special long-burning candle in memory of the deceased and at Temple **yahrzeit** is observed by reciting the Mourner's Kaddish at services. The names of deceased with yahrzeit during the preceding week are read at our services on Friday nights and Saturdays.

In addition to lighting **yahrzeit** candle many individuals choose to make a donation to mark the observance of a **yahrzeit**. If you would like to make a donation to Temple or sponsor a Kiddush in observance of a loved one, please contact the office.
