Ask for More?**

**Thur May 25th (7pm)**

Shavuot is a time to honour the role that Torah plays in our lives. We also hold up the Biblical Ruth as a heroine of our people. Not to be forgotten, this is a harvest festival grounded in the land of "milk and honey," we typically eat dairy treats. Join Rabbi Daniel Mikelberg and Student Cantor Bana Mulcahy for 2 back to back IN PERSON study sessions exploring the themes of Shavuot.
