## High Holidays 2023/5784 One Big Mishpacha Ready to Embrace the New Year!

Shana Tovah! The high holidays are a time for us to come together, recognizing all that we share. We have an intricate story represented by Torah that speaks to our lessons learned over time. We have beautiful rituals that provide deep meaning to our days. We have a commitment to our faith, a recognition that we're never alone. Over Rosh Hashana and Yom Kippur, we nurture these principles as we recalibrate and prepare for days ahead.

Our High Holiday clergy team is Rabbi Daniel Mikelberg, Rabbi Emeritus Steven Garten, Student Cantor Ilana Mulcahy, and Rabbi Dara Lithwick. No service would be complete without our wonderful liturgical choir, under the direction of accompanist Carol Gurofsky. We're delighted to offer a number of unique holiday programs under the direction of Rabbi Dara Lithwick to expand our reach and make our Temple family even more dynamic and inclusive.

Building on the success of last year's High Holiday experiences, we will primarily worship in our sacred Sanctuary space. We have a variety of service options so that we can accommodate everyone comfortably. Please make sure to RSVP online to your intended services at your earliest convenience. The Hellenic Centre parking lot is available for our use. To parents of young children, you can register your kids for babysitting in advance for both Rosh Hashana or Yom Kippur morning in the school wing. Lastly, all of our sanctuary services will be livestreamed so that you can continue to participate from the comfort of your home.

## From the Pulpit

As I compose my words, I can't help but feel as if our world is falling apart. Quite literally, regions of the north and west are aflame, leaving thousands homeless. Brave firefighters and first responders are doing their best, but the challenges are formidable. It's not the first time in recent days that we've found ourselves feeling vulnerable and afraid. It would be understandable to throw up our hands in despair. But there is another response...

We find ourselves in the month of Elul, the final weeks leading into the new year. These are intended to be days of preparation. We look inwardly, recognizing that we can always do better, we pledge to get closer to the mark. We look outwardly, recognizing the faults in our society and appreciating that in our own small way we can make a big difference. We need not ever feel alone on this mission.

It's the intent that our holiday season leaves us feeling renewed and empowered. Rather than feeling burdened we lighten this weight with inspiration and potential. Please take a careful look at our holiday offerings. Our theme this year is family, as in we're all mishpacha, tied together in precious ways. We're delighted to host most of these services and programs in our beloved Temple. Many times there are multiple options – as we all know there are a variety of ways to pray and connect. Please choose the road best suited for you (and let us know in advance so that we can prepare). With song, learning, and more we will have the opportunity to hit the reset button, and as such dedicate our energies to bettering both ourselves and the world.

Of note, we're coming out of the summer readying ourselves to finally build in months ahead. True, the construction challenges we face have also felt insurmountable at times, but our dedicated force of volunteers and professionals are narrowing in on how we can best build responsibly and creatively. Thank you to each of you who have contributed with your heart in countless ways.

Speaking of pillars, a hearty kol ha'kavod to Heather Cohen on her 34 years of service to Temple. Over her decades at Temple, there has been much change, but she has been a consistent caring presence to rely upon. We'll be able to celebrate her legacy in November.

And lastly, I'll be speaking on Yom Kippur about doubling down on our commitment to Israel as Progressive Zionists. In coming months we'll be able to continue to explore how to best advocate for democracy and religion in the land. We'll continue to make bridges with our sister congregation in the north under the leadership of Rabbi Orit Rozenblit. And preparations are in the works for a summer Temple family mission. Please consider joining us.

I look forward to seeing you in coming weeks. May this be a year of sweetness and joy, and may we help foster the conditions in our world to push us towards calm and compassion. Shana Tovah.

*Rabbi Daniel Mikelberg*

## President's Message

I hope you have all enjoyed a restful summer. It seems no matter when the High Holidays occur in September, they always seem to sneak up on us! But it shouldn't be surprising to know that preparations are already in full swing at Temple as Rosh Hashana will be here before we know it!

Over the summer, things have been moving along behind the scenes. As you no doubt already know, our dear Heather Cohen will be retiring in November. Watch for details on festivities and other ways to honour Heather's 34 years of service to our Temple family coming soon in the weekly emails. And I know you will join me in wishing Heather a hearty mazal tov!

Of course, no update would be complete without mentioning our ongoing building renewal project. The Building team have been hard at work over the summer considering where we go from here in light of continued increases in materials, labour, interest rates, and financing costs. The good news is that we have now exceeded \$4 million in pledges and by spring 2024 we project that we will have collected approximately \$2 million. This is truly remarkable, and I am in awe of the commitment and faith you have shown towards our Temple community. Also, a huge kol ha kavod to the entire D2F team for their work, and to YOU, the donors, for your generosity towards this project.

In light of all this, there are a number of proposals being considered.

The first is that we plan for a phased approach. Based on the original design presented to you last fall, we are in the process of developing a list of projects to be considered for phase 1, the cost of which would be limited to the actual money we have in the bank. This would include aesthetic upgrades with some immediate and affordable accessibility and security needs, such as a ramp to the Bima, a chair lift on the stairs to the lower level, painting the building interior, necessary security upgrades upstairs and downstairs, addressing storage issues and several other things.

Subsequent phases would address building the addition and installing an elevator and would only begin once we had the money collected, so it is possible that there would be a wait-time until we could finalize all work.

Once we have clarified the plans for the next steps, we will be approaching the larger local Jewish community for any available financial support and also applying to a series of relevant granting agencies.

There are also other options being considered, and once the Board has agreed to a path to recommend, we will be presenting the plan to you, our Temple community, for approval to proceed.

*(Continued on page 14)*

A new school year is upon us and we could not be more excited! We are thrilled to have been awarded two grants from Jewish Federation of Ottawa, to help us take a hard look at our curriculum and build on our strengths and open doors to new and exciting learning opportunities. We have gotten feedback from staff, students, and families about the positive happenings at Temple and the areas we can be improving. We have been working hard over the summertime to ensure our program is well developed, supportive of all learners and celebrating Temple's inclusive ethos.

We are proud of the work we have done thus far, and we know that more work is still to come. We take on this challenge with enthusiasm and excitement for the future of TIRS.

This year we look forward to growing our school, continuing our commitment to offering excellent, engaging and of course FUN Jewish experiences for our students! We are thrilled to welcome our new School Committee Chair Micha Garten, we look forward to working with Micha and the School Committee on everything TIRS! Our first day kicks off Sunday September 10th! And we are kicking off Log Cabin Orchard for apple picking! We invite Temple to participate with TIRS in our apple picking adventure to kick off the school year and to welcome in our Jewish New Year!

Wishing everyone a Shana Tova!

## INSIGHT into JUDAISM

The course will start in September 2023.

Each year Temple offers an Insights to Judaism course for committed individuals looking to explore their Judaism, or perhaps new to Judaism. This can be a course that leads to conversion, but for many it is simply a learning opportunity.

Come and join Rabbi Mikelberg as we delve into Jewish faith, Jewish culture and Jewish life. This year long journey will be embarked on as individuals and in community. Torah will be our guide.

We will explore tradition and texts, history of the Jewish People, Jewish holy days, ritual and life-cycle events. No previous experience necessary.

Insight Into Judaism includes a weekly Hebrew language component which will have all participants comfortable with essential Hebrew prayers and blessings.

Students are asked to commit to attend weekly classes from September 2023 through May 2024.

The course is \$720 for non members and \$360 for Temple members. Materials included.

If you would like to explore if Insight is right for you, please contact [rabbimikelberg@templeisraelottawa.com](mailto:rabbimikelberg@templeisraelottawa.com)

**Books and Bagels** is returning live at Temple Israel and on zoom.

Please join us for a bagel breakfast at 9:30 a.m. followed by a book review at 10. There is no charge for breakfast but donations are welcome. A zoom link will be sent for the 10:00 am presentation.

Books for the fall season are available at the OPL and Greenberg Libraries. As the number of copies are limited, we urge you to start reading now to avoid disappointment.

We look forward to seeing you on the following dates:

### October 22, 2023

"*The Dissident*" by Paul Goldberg will be reviewed by Angus Smith.  
**A whip-smart, often very funny Cold War thriller, this book explores what it means to survive in the face of impossible choices and monumental consequences. To help solve a murder case, refusenik Viktor Moroz ropes in his community, a hard-drinking sculptor, a Russian priest of Jewish heritage, and a visiting American intent on reliving World War II heroics.**

### November 11, 2023

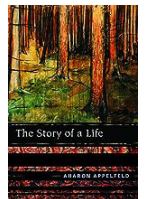

"*Impossible Takes Longer*" by Daniel Gordis will be reviewed by Rabbi Steven Garten.  
**75 years after its creation, has Israel fulfilled its founders' dreams? On Israel's seventh-fifth anniversary comes a nuanced examination of the country's past, present, and future, from this two time National Jewish Book Award winning author.**

### December 3, 2023

"*Indian Horse*" by Richard Wagamese

and "*The Story of a Life*" by Aharon Appelfeld will be reviewed together by Professor Gefen Bar-On Santor, well known for literature courses at the Soloway JCC. Gefen will review these two books on

the theme of a childhood interrupted. **In Wagamese's book the hero, a young Northern Ojibway boy, survives residential school with the help of hockey. Appelfeld's memoir relates how his childhood ended at the age of seven when the Nazis occupied his home town in 1941 but builds a new life as a writer.**

### ISRAEL TODAY COFFEE TALK with Rabbi Mikelberg

**SUNDAY, OCTOBER 15 at 11am**

As Progressive Zionists, these are difficult days. We grapple with the actions of the current Knesset that are counter to our vision for our beloved homeland. We yearn for the values of democracy and social justice to be reflected for one and all in Israel: Jews and Arabs, secular and religious Jews, left wing and right wing citizens, Jews of Eastern and Western descent etc. It's with great sadness and concern that we note how polarized these communities and their viewpoints have become. Let's delve into the complicated realities alongside books and podcasts to guide our chats. We will have the opportunity to meet approximately monthly, please make sure to register with the office to receive your homework.

### Thinking of making a donation?

If you would like to make a donation to Temple to honour the memory of a loved one, to celebrate an occasion, or simply to show your appreciation, there are a variety of ways you can do this.

You can access the donations section on the Temple website <https://templeisraelottawa.ca/>.

You can call the office or either of our volunteers that help Temple in sending out cards (see above).

If you would like to make your donation with a **stock transfer**, please contact the office to obtain a form for this purposes.

### Want to send your own Temple cards?

A package of 10 Temple donation cards/envelopes may be purchased for you to send yourself.

Please contact the office to arrange. Cost is \$175 for the package. A tax receipt is given for this donation.

If you provide card details to the office, the information will be included in our Bulletin.

### Save the date! November 18 - 19

Saturday November 18 Shabbat Service where we will honour Heather Cohen's 34 and ½ years at Temple as she retires.

Sunday November 19 following the Annual Meeting at noon we will have a tea, some music (Heather's favourite).

Please save these dates !

(continued from page 3)

There are currently exciting plans underway for tons of programs for both Temple and in our TIRS school. If you would like to get in on the action, please let us know. Volunteers are essential to Temple's success, and we would love to have you involved in one of our many committees!

So, in this season of new beginnings, there is no question that there are exciting changes ahead for our Temple family and I am looking forward to forging the road ahead together with all of you.

Mario and I, together with our family, wish each of you a Shanna Tova v'mitukah. May this year be a good year for us all.

Miriam Burke  
President

## Yahrzeit: Remembering on the Anniversary of a Death

**Yahrzeit** is a Yiddish word meaning anniversary of a death. It is the yearly anniversary of a loved one's death. Jews observe yahrzeit at home by lighting a special long-burning candle in memory of the deceased and at Temple **yahrzeit** is observed by reciting the Mourner's Kaddish at services. The names of deceased with yahrzeit during the preceeding week are read at our services on Friday nights and Saturdays.

In addition to lighting a **yahrzeit** candle many individuals choose to make a donation to mark the observance of a **yahrzeit**. If you would like to make a donation to Temple or sponsor a Kiddush in observance of a loved one, please contact the office.

## TEMPLE VISION STATEMENT

Temple Israel is Ottawa's Reform congregation where Jewish Life Happens --committing ourselves to Kehilah, K'lal Yisrael, and Tikun Olam.

We are a dynamic and welcoming congregation (Kehilah) where varied Jewish experiences offer pathways to learn and to experience God for all, respecting tradition and creating new celebrations.

We are an active liberal presence in the larger Jewish community (K'lal Yisrael).

We strive through social action to fulfill the Mitzvot of caring for others (Gimlut Chasadim) and repairing the world (Tikun Olam).
